

# Brazos Valley Amateur Radio Club

## Membership Application

The Brazos Valley Amateur Radio Club (BVARC) was organized in 1978, primarily as an emergency communications group available to assist the communities of Missouri City and Stafford when required. Since that time, BVARC has grown and expanded its activities to become the most active amateur radio club in the Southwest Houston and Fort Bend County areas.

Today BVARC is truly a general interest amateur radio club with an impressive record of public service as well as being a 501 (C)3 non-profit organization. The American Radio Relay League (ARRL) has recognized the club's commitment of service with the coveted status of Special Services Club. We are proud of our members who represent the some of the finest in amateur radio. Membership is not limited to licensed operators, but is open to anyone with an interest in amateur radio. Club meetings are held on the second Thursday of each month at 7:30 p.m. at the Eldridge Park Conference Center in Sugar Land, TX. (see [www.bvarc.org](http://www.bvarc.org)). Talk-in assistance for club meetings is available on the 146.94 (minus offset, tone 167.9).

BVARC administers amateur radio license exams on the second Tuesday each month at 6:00 p.m. at Houston Community College's Scarcella Technology campus, 10141 Cash Rd. in Stafford. BVARC also holds a Public Service Net each Monday at 8:00 p.m. on the 146.94 (minus offset, tone 167.9) and a Rag Chew Net each Wednesday at 7:00 p.m. on 3910 KHz +/- 3 KHz. BVARC also organizes the Greater Houston Hamfest on the first weekend of March.

For more information about joining BVARC or any of its activities, go to [www.bvarc.org](http://www.bvarc.org)
