

The Brazos Valley Amateur Radio Club needs an emblem! You can help by using your creative ability to design an emblem that I think would best suit the club. Bring UR design to the next club meeting for discussion.

Meet the officers of the BVARC!

President: Jerry Albright VE6HQH

Vice Pres: Wade Eilers W6WTEH

Secretary: Tim Rosen W6SQU

Treasurer: Dale Williams W6EJJC

Activities Chrmn: Ed Harwell W6WVX

BVARC would like to ask each member to help keep the club strong by supporting it with ideas and participation. Thanks.

The BVARC is in need of ideas for club programs. If anyone has any suggestions, call Activities Chairman Ed Harwell W6WVX. His home phone number is 437-1236.

Bill Smith W6SVEE, assisted by John Hudson K6DL and Wade Eilers W6WTEH, is pleased to say that the novice class is moving along smoothly. So far the club has passed Robert Dow, Glenn Williams, Steven Kinane, Debbie Steinback, Rhonda Albright, Stokley Seals, Cathy Schneider, and Paula Sloan on 5 WPM code. Robert, Steven, Debbie, and Stokley have taken their written exam and are waiting on results from the F.C.C. Bill is estimating that by summer there should be approx. 10 new Hams on the air. Good Luck!

This newsletter issue is a first for BVARC. Like all things for the first time, it should be better the second go-round and improve from there. In order to make a more concise club newsletter for the members and nonmembers, we need opinions, facts, announcements, etc. from you. Doing it this way should make this newsletter as informative as possible in the future. If you have anything, write it up and contact Wade Eilers W6WTEH.

Attached to the newsletter is two items of interest. First, Tom Casey WA5ACF is appointed the E.C. for Fort Bend County. He explains his position as E.C. by this official ARRL E.C. bulletin for Fort Bend. Second item is the club roster. Hopefully, all names and calls are correct. If your name does not appear and you are a paid member, please excuse us, and get in touch with Jerry Albright immediately so this matter is taken care of.

"QNZ" REMEMBER the club meetings coming up! April 3, April 24, May 1, & May 19. See you at the next round table, same QTH, Missouri City fire house, 7:30 P.M. Non-members who are interested in ham radio are always welcome.

THE AMERICAN RADIO RELAY LEAGUE, INC.

OFFICE OF THE EMERGENCY COORDINATOR

QST
OFFICIAL ORGAN

FORT BEND COUNTY
P.O. BOX 206
MISSOURI CITY, TEXAS 77469
(713) 437-8629

TO: ALL AMATEURS, FORT BEND COUNTY

The rendering of public service through emergency communications is an oft-stated objective of the League, and through the years many efforts have been made to inspire amateurs to participate in this type of activity. Again, we open the door and seek your support of the Brazos Valley A.R.C. and the ARES.

As the E.C. for Fort Bend County, I can assure you that there is position for each amateur to participate in. You say you have never handled traffic, or better yet, never aided in an emergency? FEAR NOT, for during this summer we are planning such sessions as ORIENTATION, TESTS and DRILLS, and even a TRAFFIC HANDLING SEMINAR.

Become a better Ham by becoming a part of the ARES. For further info, contact me ASAP.

73a

Tom Casey
