

B-VARC BULLETIN

The Monthly Publication of the
BRAZOS VALLEY AMATEUR RADIO CLUB
Serving Fort Bend and Harris Counties

Editor in Chief: Vincent Orlando, WA5ETS 774-7651 (0800-2100 hrs)

About the Brazos Valley Amateur Radio Club . . .

Organized in 1978, the club has been growing steadily. It is a gathering place for HAM radio operators in Fort Bend and Southwest Harris Counties, and surrounding communities. It is a general-purpose type of HAM club offering a variety of activities open to all interested persons. Membership is open, not only to licensed HAM operators, but also to anyone interested in the hobby. In addition to regularly-scheduled membership meetings, the club each year conducts classes leading to amateur radio licenses, and each month sponsors a volunteer-examiner team that offers examinations in all levels of HAM licenses.

To obtain information about the club and its various activities, please call the Houston Amateur Radio Helpline (713) 488-4HAM (488-4426). For information about joining the club, contact Randy Pollard AK5G: residence 729-6484 or work 224-3930.

Notes From The President . . .

by Randy Pollard, AK5G

Let me wish you a happy and joyful New Year! Hope that Santa brought you all the new radio goodies you wanted. B-VARC starts its 15th year with a new slate of officers and committee chairmen. The new officers are: President Randy Pollard, AK5G; Vice-President Ralph Cheek, KB5DNT; Treasurer Lawrence Cox, N5OUZ; Recording Secretary Paul Holcombe, N5ULY; Corresponding Secretary Don Wade, WB5IBT. The Directors are: Gerry Borg, N5APW; Melvin Thatcher, KB5ION; and Glenn Edwards, WB5LZG. B-VARC will meet all year the Sugar Land Community Center. (Please help Bud and Ralph set up and take down the chairs.) Get involved with a committee or an event during the year.

Our January meeting will be our own annual banquet. This will be the second Thursday of January, the 9th. The location is the Marriott West Loop. Talk-in will be on the 145.47 repeater. The February meeting will feature Jack VanDemark, WN5A, talking on the subject of HF Radio. Jack will tell us about new and old radios, operating practices, and other good information for all. He may have the new Kenwood 450 on display. Bill Todd-Brown N5MPN worked hard on this year programs. Bill suggested a new way to do programs this year. We will have a host for the speaker at each meeting. Next time you see Bill be sure to tell him thanks for lining up all of these outstanding programs for the year. All of this year's speakers are hams talking to hams.

RENEW YOUR DUES TODAY. This will be your last issue of the *Bulletin* if you don't renew your dues for 1992 today. Call Lawrence Cox, N5OUZ, or me if you have any questions.

B-VARC Board of Directors Meeting Action & Comments, December 5, 1991 by Dick Kruse, N5OUT, Recording Secretary

The minutes of the last Board of Directors Meeting are read and approved unanimously.

Cash on hand in the club treasury was \$3,110.51. To date, about fifty people have paid their dues for

1992 and about fifteen people have signed up and paid for the January banquet.

President, Allen Mattis, N5AFV, stated he was attempting to get Door Prizes for the January banquet and planned to recognize the recipients of previous awards at this year's event. There is one more week (till Dec. 12th) remaining for written nominations to be received for this year's awards.

Both Allen Mattis, N5AFV, President, and Randy Pollard, AK5G, President Elect, feel it is very important for us to change the club's tax status to 501(C)(3). An attorney has volunteered his services to help make the change.

A letter was received from the Sugar Land Community Center requesting volunteers from our club for the Channel 13 Christmas Food Drive, Friday, December 13th.

Correspondence: Allen, N5AFV, received a letter from Burns Clealand thanking us for the donations made by club members to the recent balloon launch. Jim Heil, Ham Radio Helpline, said he'd be happy to announce our club events as long as he receives them with enough advance notice. Mary Ann McBrayer sent a nice thank you letter for providing communications for the Marathon Warmup Series of races. A thank you letter was sent to Carl Albrecht, Jr., KB5KJT, acknowledging him for the outstanding way he handled communications at the Cinco Ranch 25K race when a hot air balloon landed on the race track.

Bill Dessens, N5KXU, reported he plans to confer with the new Board of Directors regarding the Special Event Station being planned to celebrate the club's fifteenth anniversary next year.

Thirty-four club members volunteered to provide communications for the First Colony 30K race scheduled for December 14th.

There was a high of twenty-one check-ins and a low of fourteen check-ins each week to the Rag Chew Net.

All is going well with the Monday night Public Service Net on 145.47. Certificates will be given to those that volunteered to be Net Control during the past year.

The program for the December General Membership meeting will be about video, presented by program chairman, Steve Shirk, N5SDL.

EPO and Dave and Cindy Hammer have renewed their ads for the B-VARC *Bulletin*.

A record 130 exams were given by our V.E. team at Hamcom in November. The bulk of the increase in exams came from those wanting a No Code license.

Sixteen of the twenty-one persons that attended the recent club-sponsored Novice/Tech class passed the exam. The next class will begin in March.

It was discussed that at least one more Novice/Tech class after the V.E. exam would be very helpful to possibility is to have the class at a restaurant, talk Ham radio, and offer elmer type help. Another thought is to begin weekly 'on air' code practice on two meters.

B-VARC President Elect, Randy Pollard, AK5G, stated that the Board of Director meetings next year will again be held at the Missouri City Fire Station. He also stated that a year's worth of speakers are arranged for next year's programs. Rather than have a Program chairman that is responsible for each program, a different person will be the host and will be in charge of each program. Stay tuned for 1992. New board members for 1992 were welcomed and those leaving the Board were thanked for their hard work and support during the past year.

Gerry Borg, N5APW, Trustee for the M.E.R.A. 145.47 repeater, promised that the new Micor repeater will be in place and functioning by January 1, 1992.

Results of the December Amateur Exams

by Harold Parker, ND5F

B-VARC again sponsored and administered the ARRL's Amateur Radio Examinations that were held on Tuesday evening, December 10, 1991, at Strake Jesuit College Preparatory in Houston.

The V.E. Team

Ray Dillard, WA5F
Henry Morrison, W5RIY
Harold Parker, ND5F

Assistants

Carl Albrecht, AA5JW
Cass Germany, KG5IT
Irene Gordon, N5AYX

A total of fifty-nine (59) exams were administered during the evening to thirty-six (36) applicants. Sixteen (16) unlicensed candidates received their new licenses: two (2) Novice, four (4) Technicians and ten (10) "no-code" Technicians. Five (5) others upgraded with a total of forty (40) elements passed. The overall "pass rate" for the evening was sixty-eight (68%) percent.

Llewellyn Smith — Novice
Sumfok Thai — Novice

Many thanks to all the Team Members and Assistants who volunteer their valuable time and effort each month.

All of us at B-VARC again thank Vincent, WA5ETS, and everyone at Strake Jesuit College Preparatory for making these excellent classroom facilities available to us for our exams each month.

73's ... ND5F

Recap of the December Meeting

by Stephen Shirk, N5SDL

Well it's a new year which usually means a fresh start whether in business or life. The end of one year means the end of the old and the start of the new. Last year at this time I was a new ham waiting for my call sign. Though I had listened for several months, I had yet to talk on the air. One year later things seem so different. When I accepted the role of program chairman, it seemed like a simple and easy job. One year older and a bit wiser, I realized not only how much work but how much fun is involved. Though for various reasons I will not be doing this position this coming year, I will be around and involved in many other activities with the club. After many years of wishing that I had my "ticket," finally having it is like a dream that suddenly came true. I also can't wait to see what the future will hold for Ham radio.

I have had a lot of people ask me about video and related subjects. So I figured that a talk on video, camcorders, and related topics would be a good subject as a last program of the year especially near Christmas time. The talk went well, and I only saw one person falling asleep so it must have been informative and interesting. I enjoyed it and was glad to be of service to you all.

May your new year be the best one yet. So long for now . . .

On The Bands
by Randy Pollard, AK5G

'5JKD, N5UNE, N5PRC all have new Kenwood 41's; watch out 10 meters! The W2OJ repeater is hot in the mornings — lots of DX. ... Will N4SKR sell his Alinco and move up to a big boy radio? ... Will N5AFV ever fix his old TS-520? ... Great crowd at Saturday breakfasts (on December 7th we had 25 people). K5BDZ does a good job keeping all coffee cups full ... KG5CB working on new repeater ... N5JBL working hard on the January 26 Houston Marathon Race ... Think about Field Day and the Dallas Ham Comm; both are in June this year. ... Congrats to all of the Novice/Tech class participants; please come to a B-VARC meeting and enjoy ham radio. ... Congrats to WB5IBT and the XYL on their new arrival; who is next? WA5SCE and N5RQO ? ... W5IHY has a new Icom 765 ... N5APW plans to start a 2-meter CW practice session. ... Will AA5BD join this year? ... Great job on the 30K race to N5JBL, WB5IBT, KI5DR and all others. ...
